SUBJECT Reagan Signs Bill

REID COLLINS: President Reagan went to the CIA Headquarters in Langley, Virginia today to sign into law a bill making it illegal to publish the names of American agents. The President called the CIA staff heroes in a twilight struggle; the tripwire, he called them, across which the forces of oppression and tyranny must stumble.

Several civil liberties groups say they'll attack the law in the courts.

OFFICES IN: WASHINGTON D.C. • NEW YORK • LOS ANGELES • CHICAGO • DETROIT • AND OTHER PRINCIPAL CITIES
